Come and See...Quality in Action!

Spring Term 2017

Tameside Early Years Best Practice Partnership

Thursday 16th February 9:10am -11:30am

Oakdale Primary School

Focus for the session:

- How children with a range of complex needs can access a continuous provision environment.
- How children with differing needs are managed through the use of continuous provision.
- The use of a total communication environment to support continuous provision.
- The use of staff support as facilitators for learning, including developing the balance between independence and support.
- Proactive management of behaviour.

Thursday 26th January 9:15am -11:15am

Ravensfield Primary School

Focus for the session:

At Ravensfield we have a 60 place Reception and a 52 place Nursery. We are an experienced team who all share the same vision. Our catchment is diverse, although we mainly serve our direct community. Many children enter our school with speech, language and communication difficulties, which we work tirelessly to improve and close the gap. Come and see our EYFS setting, explore our environment inside and outside, and see how we run.

Wednesday 15th March 9:30am -11:30am

Silver Springs Primary School

Focus for the session:

- Discover fun and engaging ways to promote the learning of new words/vocabulary.
- Explore a range of activity ideas to help improve concept development.
- Learn how to develop high quality interactions to provide challenge and encourage thinking in your learning environment.
