

Hello

Welcome to Rosehill Methodist Community Primary School. We hope that this website will help you to understand what makes Rosehill such a special vibrant school. It is a place where your child can grow into a self-confident, caring member of our community.

At Rosehill we believe that your child deserves the best and we aim to provide excellence in terms of the learning opportunities we provide for them within school. Our staff are highly trained and totally committed to working with your child to achieve the highest possible standards.

To achieve the very best, our children must be confident that school and home are working together to celebrate achievements, to help them in their learning, support them through times of difficulty and to encourage good behaviour. We must nurture them with care so that they grow into responsible, well educated, caring pupils.

We are proud to be part of Rosehill and we are proud of the many achievements of pupils, staff and all in our community. We are a special place because the people within our school are special.

Please take some time to look around our website. We are always happy to answer any questions you may have and we would be delighted show you around our school.

Yours sincerely,

Mrs C.Redman
