Headteacher Kathy Allen

Dear Parents & Carers,

Monday 8th January 2018

This is the first of many newsletters you will receive from me, on a regular basis, as a way of sharing information and celebrating achievements at our school.

I feel that I must first start by telling you how delighted I am to be the new headteacher of Rosehill Methodist Community Primary School.

I can assure you that I will work extremely hard along with all my colleagues to ensure that our children receive the best possible education. I would like to take this opportunity to say what a fantastic job Mrs Redman has done in leading Rosehill forward. I am sure that you would all like to wish her the best in her retirement. Rest assured that I intend to build upon her achievements and lead the school on to even greater success in the coming years.

I thought that I might tell you a little bit about myself. I'm a Mancunian and grew up in North Manchester. I've been teaching for 30 years, and this will be my third headship. I've also held roles as Local Authority Adviser, School Improvement Partner and Head of School Achievement and Support in Tameside. I also have experience working for a large multi academy trust as Regional Education Director. I have 2 sons, Andrew is 22 and in his final year at university and Michael is 24 and teaches history in a secondary school. I'm a very proud mum!

You will find me in the playground before and after school each day, please come and say hello. I look forward to meeting you over the coming weeks and working together to ensure your children have a safe, happy and successful time at Rosehill.
