Out of School Club January Update

We now have a mobile phone, for contacting the Out of School Club staff. The number is 07397 027431. Please only use this mobile during the opening hours of the club, please continue to phone the school office at other times.

Vouchers - If you use vouchers to pay for your childcare, we are in the process of registering with the various providers.

We have registered with :- Computershare ID number :-023833849

We are awaiting further information from Sodexo, Kiddivouchers and Edenred, as we get ID numbers from these providers we will of course update you.

Please can we remind all parents that the afterschool club should be paid for in advance, the latest should be the Friday before the week of use, i.e. for any booking for week commencing 23rd January should be paid for by Friday 20th January. All sessions booked will be charged.

We would also just like to clarify that all children should be dropped off and collected from the hall doors.

Thank you
