Year 1 phonics check

This is an assessment to see how well the children use their phonics knowledge to decode words. The check consists of 40 words and the expected score is 32 or more.

If any child does not achieve the expected score this year, they will be reassessed in Year 2. Almost all of our children achieve the expected result in either Year 1 or Year 2.

Rosehill - Year 1 Phonics check

Cohort size – 88 children

70 children (80%) achieved the expected score

Rosehill 80%

National results 81%
